

SHEILA WOOD - RESUME

July 2020, Berkeley CA

Short Bird Studio – www.shortbird.com - www.sheilawood-artist.com

OBJECTIVE: Design, Photo Manipulation, Web Development

I am a web designer and developer with strong visual skills. I prefer freelance, contract, or part-time employment. I'm committed to developing user friendly and well-organized websites. My special interests are photo manipulation and photo portfolios. I excel at organizational projects, am a positive and creative team player with multiple talents, and have a great work ethic.
